All-School Event Expectations

A message for parents and guardians

We believe every student deserves a chance to redeem themselves. That is why we offer **restorative work**. We also believe there should be real consequences for excessive negative behavior. Participation in **all-school events** (dances, field trips, field days, and any other all-school event) is based on the number of referrals a student earns between events.

0-2
REFERRALS

Automatic Participation

Students with **fewer than 3 referrals** may attend the event with no additional requirements.

3-9
REFERRALS

Restorative Work Required

Students with **3 to 9 referrals** must complete restorative work before the event. They choose **one**:

- **A thoughtful essay** about what they did wrong and how they can change
- **Community service** around the school

10+
REFERRALS

Not Eligible to Attend

Students with **10 or more referrals** may **not** attend any all-school event, including dances, field trips, field days, or any other all-school event.

A Fresh Start After Every Event

- Each student's count **resets after every event**.
- We count referrals from **the day after one event through the day before the next event**.
- All referrals stay on record for the year so we can track overall behavior, but only referrals in the current window count toward event eligibility.

Thank you for partnering with us to help every student succeed!
